- Additional weekly pick entries may be earned or awarded through special promotional offers throughout the promotion.
- Each week of the eighteen (18) weeks during the promotion a predetermined number of 2026-2027 National Football League regular season games occurring only on Sunday and the early Monday Night game of each week that start at 1:00 PM Eastern Time on Sunday or later will be included in the prediction pool for that week for a total of 265 eligible regular season games.
- The NFL uses “Flex Scheduling” in the latter part of the season. This can cause some games that were originally scheduled for Sunday to be played on alternate days. If a game that was originally scheduled for a Sunday is moved to an alternate date, it may still count as a Sunday game for Pick’em Cards.
- In the case of a “Flex Schedule” game change, we reserve the right to close the Pick’em card submission dates as needed.
- Each week participants will be prompted to select their picks and choose a tie-breaker score to complete their entry. Tie-breaker scores are the total combined score of both teams of the early Monday Night football game or other designated game. Participants have the option to choose to have their picks selected at random or picking all the ‘Quick Picks’ option on the selection screen.
- Weekly pick entries may be submitted no earlier than 12:00 AM PT each Tuesday and no later than 11:59 PM PT each Saturday.
- Once a participant selects to submit their weekly entry that entry is final, it is the sole responsibility of the participant to verify the accuracy of their picks prior to submission.
- In the event that any participant submits multiple weekly pick submissions, only their best performing submission will be counted and displayed on the leaderboards.

TOP 10 WEEKLY WINNERS

- The top ten (10) participants ranked in order of the highest correct predictions for that week are awarded the following:
 - 1st Place - \$1,000 FREEPLAY
