

## Signature Journeys

### Cascade Awakening

2.5 Hours | \$435

Inspired by the energy and flow of Snoqualmie Falls, this journey begins with a smoothing sea salt and green coffee oil scrub followed by a French mineral mud-wrap to invigorate, nourish and firm. After a refreshing cleanse, ease gently into a deeply therapeutic aromatic massage to support the natural movement of the body's energy. Your treatment experience concludes with a 60-minute Wellbeing cleansing facial and scalp massage leaving you reawakened, clear, and deeply connected.

### Elemental Energy

90 Min | \$235

This harmonizing massage ritual draws on elements of aromatherapy and crystal energy to balance and restore. Soothing notes of vetiver, chamomile, and sandalwood settle the nervous system, while the soft warmth of damask rose and geranium nurtures the heart. A final blend of frankincense and petitgrain clears mental fog and sharpens awareness. Crystal massage stones are placed to amplify the effects of each aromatic layer, guiding you to a state of calm, and energetic balance.

### Woodland Stillness

90 Min | \$275

A grounding ritual designed to quiet the body and settle the mind. Guided breathwork and sound bowl therapy set the rhythm for this slow, whole body, tension releasing massage. Heated river stones are applied throughout for deep penetrating relief while hands and feet are wrapped in a grounding warm earth mud. Facial pressure point and a soothing hot oil scalp wrap complete the treatment, allowing time to simply slow down and embrace the stillness.

MoonRise Spa is inspired by the quiet power of nature— the way light shifts through the trees, how stillness speaks, and how transformation often begins long before we realize it.

Here, the interconnectedness between body, mind, and the natural world is honored in every detail. Each treatment is thoughtfully designed to support your wellbeing, offering calm, clarity, and care in a serene, private setting.

This is your MoonRise moment— where restoration, grounded presence, and gentle illumination guide you back to yourself.

At MoonRise Spa, we believe renewal doesn't require the night. It begins the moment you pause, breathe, and allow yourself to arrive fully.
